

## Avatar adventure - Task sheet

### Task:

Your task is to create a personal avatar that represents you. You will use an internet website called doppel me and make choices to create the avatar to match you as closely as possible. Once you have created the avatar download it and save it into your personal ICT challenge folder. Log into the avatar adventure today's meet chat room and share one thing you learnt, one thing that challenged you and how you overcame the challenge.

### Process:

1. Go to the website – [www.doppelme.com](http://www.doppelme.com)
2. Go through each of the stages involved in creating an avatar – make choices that represent you as closely as possible.
3. Once you have completed the avatar download it and save it into your personal ICT folder under (name) avatar.
4. Log into the avatar adventure today's meet chat room and share one thing you learnt, one thing that challenged you and how you overcame that challenge.

### Teacher tip:

Avatars represent who we are in the online environment so it is important to make them as similar to ourselves as we possibly can.

Remember classroom netiquette rules apply when communicating within the today's meet chat rooms.
