

Comic central - Task sheet

Task:

Your task is to create a comic strip. Using the internet website make beliefs comix. Select three characters and create a 4-panel comic strip. The comic strip must have interactions between each of the characters, a range of backgrounds and other interesting effects to add to the comic. Once you have finished save the comic to your personal ICT challenge folder. Log into the comic central todays meet chat room and share one thing you learnt, one challenge that occurred and how you solved that challenge.

Process:

1. Go to the website – www.makebeliefscomix.com
2. Create a 4-panel comic strip.
3. Save the comic strip into your personal ICT folder as the title of your comic strip.
4. Log into the comic central todays meet chat room and share one thing you learnt, one challenge that occurred and how you solved that challenge.

Teacher tip:

Comics can be funny or serious. Search popular comic strips in Google to get some ideas. Remember classroom netiquette rules apply when communicating within the todays meet chat rooms.
